

DU SOL – Courses & Curriculum

Undergraduate Programmes

DU SOL offers the following 3-year undergraduate programmes under ODL mode:

- B.A. Programme: A multi-disciplinary arts programme. Students choose 3 subjects from available options.
- B.A. (Hons) English: Focused study of English literature, language, and criticism.
- B.A. (Hons) Political Science: In-depth study of political theory, Indian politics, and international relations.
- B.A. (Hons) Hindi: Study of Hindi literature, linguistics, and composition.
- B.Com. Programme: Commerce fundamentals — accounting, economics, business law, taxation.
- B.Com. (Hons): Advanced commerce with greater focus on accounting and finance.

Postgraduate Programmes

- M.A. Hindi (2 years): Advanced literature, criticism, and linguistics. Eligibility: graduation with Hindi as a subject.
- M.A. Political Science (2 years): Eligibility: graduation with Political Science.

Subject Combinations (B.A. Programme)

Popular combinations include:

- English + Political Science + History
- Hindi + History + Sanskrit
- Economics + Political Science + History
- Sociology + Political Science + Hindi

Subject availability may vary. Check sol.du.ac.in for the current approved list.

CBCS Curriculum (Current Batches)

Under the Choice Based Credit System (CBCS), each programme has:

- Core Courses (CC): Mandatory discipline-specific papers.
- Discipline Elective Courses (DSE): Optional specialisation papers.
- Ability Enhancement Courses (AECC): Environmental Science, English/MIL Communication.
- Skill Enhancement Courses (SEC): Practical/vocational skills.

Study Material

SOL provides printed self-learning study material for all papers. Study material is collected from the assigned Study Centre at the beginning of each year.

Digital study material is also available on the SOL e-Learning portal.

Medium of Instruction

- B.A. (Hons) English: English medium only.
- B.A. Programme, B.Com.: Hindi and English both available.
- B.A. (Hons) Hindi / M.A. Hindi: Hindi medium.

Students choose medium at the time of admission.

Study Centres

SOL has Study Centres across Delhi. Students are assigned to a Study Centre for:

- Collecting study material
- Submitting Internal Assessment assignments
- Accessing counselling sessions and library
